

Restrictions apply. To qualify for this offer you must 1) Join the Fuel Rewards® program for the first time between May 16, 2022 at 12:00 AM CST and March 31, 2023 at 11:59PM CST; 2) Obtain a Fuel Rewards® card or create an Alt ID for your Fuel Rewards® account; 3) Make an initial purchase of at least 5 gallons at a participating Shell location using your Fuel Rewards® card or Alt ID by March 31, 2023.

The 25¢/gal reward will be added to your Fuel Rewards® account after your initial purchase to be used on the next (second) fill using your Fuel Rewards® card or Alt ID. Fuel Rewards® savings earned through this offer expire on the last day of the month immediately following the month in which they are earned.

Redemption of Fuel Rewards® savings are limited to 20 gallons of fuel per purchase, per vehicle, or fraud limits placed by Shell and/or limits placed on their financial card by their financial institution, each of which may be lower. Fuel Rewards® savings must be redeemed in a single transaction. Once you begin to dispense fuel using your Fuel Rewards® savings, you must dispense to the 20-gallon limit or you forfeit any remaining discounted gallons of fuel. For example, if you only pump fifteen (15) gallons of fuel, you would abandon the remaining five (5) gallons of discounted fuel. If you have a rewards balance greater than the current per-gallon price of fuel, the price will roll down to the maximum capability of the fuel equipment, and your remaining rewards will be saved for a future fuel purchase. It may not be possible to combine multiple discounts and/or rewards in a single transaction. Dispenser may require a price of up to 10.9 cents per gallon. For purchases of \$75 or more, please go inside to pay. Unbranded diesel and alternative fuels may not be eligible. Offer may be modified or discontinued at any time without notice.
