****Acquisition Offer**

Restrictions apply. Offer valid from July 24, 2023 – July 23, 2025 (the “Offer Period”).

Amazon Flex Rewards drivers will receive 15¢/gal on your first three fill-ups when you join the Fuel Rewards® program as a new member using the link accessible in your Amazon Flex Rewards account. This offer is inclusive of the Gold status rewards. The Fuel Rewards® savings earned during the Offer Period will expire at the end of the month following the month in which the applicable reward was earned. Offer valid for new Fuel Rewards members only.

Fuel Rewards® savings are limited to 20 gallons of fuel per purchase per vehicle or fraud limits placed by Shell and/or limits placed on your payment card by your financial institution, each of which may be lower. Dispenser may require a price of up to \$0.109/gallon. Once you begin to dispense fuel using your Fuel Rewards® savings, you must dispense to the 20-gallon limit or you forfeit any remaining gallons. If you have a rewards balance greater than the current per-gallon price of fuel, the price will roll down to the maximum capability of the fuel equipment, and your remaining rewards balance will be saved for a future fuel purchase. For purchases of \$75 or more, please go inside to pay. Unbranded diesel and alternative fuels may not be eligible. Offers may be modified or discontinued at any time without notice. Not valid where prohibited by law. Other restrictions may apply. The Fuel Rewards® program is owned and operated by Excentus Corporation. All trademarks are the property of their respective owners.
